Speakers on the day

Stuart Raven

Stuart is a Partner in Birketts Commercial Property Team and welcomes LiPS to its new iconic building which houses just under half of its 650 strong workforce. The building opened in June 2018 and we look forward to learning about how it provides an environment where Birketts staff can thrive and prosper, work closer together as well as creating a great place to host their clients.

Loraine Callow

Loraine Callow is an independent Image and Style Consultant with many years' experience in fashion, retail and marketing. She joins us to share her philosophy of waffle-free personal and corporate image advice as well as advising on the best aspects of your personal appearance by understanding your image and projecting yourself confidently and stylishly.

Peter Frost

Peter Frost holds the position of Environment Strategy Officer for Suffolk County Council and is part of the Business Energy Efficiency Anglia project. This enables Small and Medium Enterprises all over Norfolk and Suffolk to access grant funding towards cutting their carbon footprint. He is keen to spread the word about how companies can be at the forefront of the new paradigm of transport and how society will change in the near future as well as bringing along Electric Vehicles which will be available to view in the car park. Sam Steele of EO Charging, a smart energy technology manufacturer, will be joining Peter.

Meet the LiPS team!

The group was set up to provide a networking opportunity for ladies to form strategic business relationships and friendships.
